**RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS  
UNDER 35 U.S.C. 371 IN THE UNITED STATES  
DESIGNATED/ELECTED OFFICE (DO/EO/US)**

---

ELECTRONICALLY FILED MARCH 8, 2007

The following documents are attached for filing:

1. EFS \$130 Surcharge Fee for completing the missing parts.
2. Executed Combined Declaration and Power
3. Notification of Missing Requirements Under 35 U.S.C. 371 In The United States Designated/Elected Office (DO/EO/US)
4. English translation of the International Preliminary Report on Patentability
5. Page 11 of the English translation of the original application, which includes claims 7-14.

Applicants' Attorney suspects that page 11 was either lost at the USPTO or the USPTO failed to scan that page of the application upon receipt. Applicants' copy of the application that was filed with the USPTO included page 11 with claims 7-14. Further, Applicants' Attorney counted each and every page of the English translation before sealing the Express Mail envelop upon filing. No pages were missing at that time.

Therefore, Applicants assert that the full translation was in fact filed within 30 months of the priority date, and no English translation surcharge should be required (and is not paid herewith).

However, the Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

/David D. Brush/
